

## FILMOGRAPHY

### Documentary & Drama

2009 Documentary film

#### **Preying On Patients**

How the health industry has hijacked our welfare systems "The Patient as Prey" attempts to unravel some knots of the enormous health care web. Carefully researched case stories uncover long term strategies and motives of the health system's different players – and how they carry out their struggle at the cost of those who can not fight back: the patients.

*A film from Martin Groenemeyer and Robert Cibis produced by Oval filmmakers for Arte/ZDF, 53 Min.*

2008 Documentary film

#### **Working Class Poor**

The ZDF Film series 37 degrees shows the life of three people who live in Germany earning less than minimum wage. And how they retain their dignity and positive approach to live in spite of their very low income. The film shows the daily struggle to define themselves in society as working poor and their search for a better paid job.

*A film from Angelika Woerthmueller und Enrico Demurray for the television show 37 Degrees, ZDF (German public television), 30 Min.*

07/08 Documentary film

#### **Sehnsucht Berlin**

The Documentary Film shows the city from an extraordinary vantage point: through the view of artists who were in Berlin as guests of the Berliner Künstlerprogramms. The film accompanies performance artists, composers and authors, a painter, and a filmmaker who were all recipients of the Berlin Artists in Residence Program. Being filmed at their favorite city sites, the artists convey their very personal experiences and tell tales of what influence Berlin had on their artistic inspiration.

*A film from Peter Zach, 90 min.*

2007 Documentary-series

**Wildlife Nannies**

At the heart of the new docu-soap lies the work of animal specialists with their adopted animal babies. The stories were gathered from across the world – Europe, Africa and Australia, bringing back the cutest and most heart-warming tales.

Besides its emotional and entertaining content, the series offers profound information about the animals.

"Wildlife Nannies" offers high production values using HD camera equipment and a completely tapeless postproduction.

*The series is an international co-production with the American HD broadcasting network VOOM and the German public TV channel ZDF, each episode 30 Min.*
